*The Maker Movement is a technological and creative revolution underway around the world. Fortunately for educators, the Maker Movement overlaps with the natural inclinations of children and the power of learning by doing.*

*Sylvia Libow Martinez and Gary Stager*

*Why the Maker Movement Matters to Educators (2013).*

---

**Thursday, February 18<sup>th</sup>**

**8:15 - 9:50 / KGH MPR**

You are invited to join us for this fun event! We would really appreciate your support and help.

Thanks,

The 2<sup>nd</sup> Grade Teachers
